

The Legacy Group
Rio Grande Hospital
310 County Rd 14
Del Norte, Co. 81132

Dear Development Officer, Custodian of The Legacy Group files;

The formation of The Legacy Group and the opportunity it gives to those of us who wish to show our appreciation for the Rio Grande Hospital in a future monetary pledge is a very much appreciated program.

We the undersigned(s) wish to share with other members of this program that we have made or will very soon make a provision that the **Rio Grande Hospital (tax I.D. 84-1276376)** will be a beneficiary of proceeds from our will, trust or other documents for distributing our wealth when we die.

We understand that this is not a binding obligation but an honor we have of showing our desire that the hospital shall continue to flourish even after our death.

Because the amount of legacy gifts is not disclosed or ever requested by the hospital, it will not be part of the hospital's financial statements.

We agree to our name being displayed on a wall of the hospital reception area as being members of The Legacy Group which will give notice of our appreciation of the hospital to others with the hope that they also will make like provisions for the benefit of the hospital.

With this understanding, the signature(s) below are set forth:
